

BUZZFEST XVI IS MOVING TO THE CYNTHIA WOODS MITCHELL PAVILION

SAME DATE, SAME BANDS, DIFFERENT TICKET

HOUSTON (October 20, 2005) – 94.5 The BUZZ, along with all Houstonians, is thrilled that for the first time in Franchise history the Houston Astros are playing in the World Series. And, as one of the Astros biggest fans, “The Buzz” does not want to host a major concert event with thousands of people on the field where the Astros will bring home the World Series.

“94.5 “The BUZZ” wants to deliver the best CONCERT to our listeners, as well as watch the Houston Astros win on their home turf. With the Cynthia Woods Mitchell Pavilion support, we took the option that would allow us to do both. Therefore, we’re moving Buzzfest XVI from Minute Maid Park to the Cynthia Woods Mitchell Pavilion” says Vince Richards, Director of Rock Programming for Clear Channel Radio in Houston.
